

2018 ADE Science of Reading Conference for Arkansas Schools: Starting A New Chapter

**Monday, March 5, 2018– Tuesday, March 6, 2018
8:00 - 3:30 daily**

**Hot Springs Convention Center, 134 Convention Boulevard
Hot Springs, Arkansas 71901**

Educators will hear from both nationally renowned speakers and Arkansas educators on the science of teaching reading. Sessions will address core instructional practices, interventions, and content knowledge for phonemic awareness, phonics, syllables and syllabication, morphology, fluency, comprehension, and vocabulary. Educators will also have the opportunity to hear presentations about dyslexia and related reading disabilities, IDEA and 504 regulations, Gifted and Talented, and English Learners.

This conference is free for Arkansas Public and Charter School Educators, but registered participants that do not attend will be billed \$100 for food expense.
